We've developed a range of tools and resources to strengthen the essential work your council does and to help you focus on improving student achievement. In addition to giving a solid start, we show you the steps necessary to create exemplary work.

Policy Subscription Service

All Policies Aligned to PGES

The KASC Policy Subscription service takes the worry out of updating your policies. KASC provides updates to keep schools current on:

- Law and regulation changes
- PGES and Program Review areas
- Assessment and curriculum updates
- General best practice

The initial fee of \$100 includes:

- KASC SBDM Policy Kit
- KASC SBDM Bylaws Kit
- Timely updated policies emailed to your inbox for a full year.

After the first year, each subsequent year is only \$50 for a mailed, hard copy of all sample policies to replace the previous sample policies in your kit, and gives you another full year of updated or newly required policies sent to your inbox.

Policy Subscription Service is a KASC Members Only service.

Contact KASC for more information.

SBDM Organizer for Principals

Designed by a former principal and SBDM Coordinator, the materials cover all pertinent council issues, from legal requirements to meeting guidelines and election rules. This must-have resource now includes Redbook regulations for SBDM Councils as well as information regarding assessment and accountability. An experienced principal who reviewed the organizer said it was the best resource for navigating laws and regulations with SBDM councils.

SBDM Organizer for Teachers/Parents

Are you a new council member? A veteran who wants a solid refresher course? Our SBDM Organizer for Teachers/Parents is for you. The tools we include offer a solid foundation on legal roles, planning, assessment and accountability. This kit truly "begins at the beginning" to explain the work of Kentucky school councils. Principals should share this kit with all their council members for a strong, student-oriented start!
